Re: Inv. No. TA-201-73 (Certain Steel Products)

Dear Ms. Blue:

We understand that several interested parties have requested that certain large diameter welded line pipe which had been excluded from the recent antidumping investigation against Japan and Mexico¹ be excluded from any remedy imposed pursuant to the above-referenced investigation. As a major domestic producer of Large diameter welded line pipe, Berg Steel Pipe Company hereby formally states that we have no objection to the exclusion of the following products from any remedy recommended or imposed in the above referenced investigation.

1. Welded large diameter line pipe 18 inches to 22 inches in outside diameter ("OD") with wall thickness of 0.75 inches and greater;
2. Welded large diameter line pipe 24 inches to less than 30 inches OD: with a wall thickness of over 0.875 inches – Grades A/B/X42; with a wall thickness over 0.75 inches – Grades X-52 and X-56; with a wall thickness over 0.688 inches – Grades X60 and higher;
3. Welded large diameter line pipe 30 inches to less than 36 inches OD: with a wall thickness over 1.25 inches – Grades A/B/X42; with a wall
